Anti-Gay Legislator Out Of The Hypocrisy Closet

E-mails shared with *The Indianapolis Star* suggest that Indiana state Rep. Phillip Hinkle — responding to a local posting on Craigslist — offered a young man $80 plus tip to spend time with him at a JW Marriott hotel. The e-mails, sent from Hinkle's publicly listed personal address, ask the young man for "a couple hours of your time tonight" and offer him cash up front, with a tip of up to $50 or $60 "for a really good time."

The e-mail exchange is in response to the Craigslist posting in which the young man — Kameryn Gibson, 20 — says, "I need a sugga daddy."

Gibson told *The Star* that they met, but that he tried to leave after Hinkle told him he was a state lawmaker. Gibson says they did not have sex. He said the lawmaker at first told him he could not leave, grabbed him in the rear, exposed himself to the young man and then later gave him an iPad, BlackBerry cellphone and $100 cash to keep quiet.

When contacted by *The Star*, Hinkle, a Republican, did not contest the e-mails but said, "I am aware of a shakedown taking place." Hinkle's lawyer, Peter Nugent, said he was unable to say what Hinkle meant by a "shakedown," and Hinkle has not filed a police report.

Gibson told *The Star* he posted the Craigslist ad in the "Casual Encounters" section under m4m, shorthand meaning "men for men." He used his sister's e-mail address. He and his sister, Megan Gibson, flatly denied any shakedown. Megan Gibson said she contacted *The Star* because she thought that given Hinkle's stature, his "creepy" actions should be made public. She allowed a reporter to inspect the e-mails, which she had kept on her smart phone. The phone contained not only the e-mail exchange but a call log that showed phone calls from numbers that match both Hinkle's cell phone and home phone.

Megan Gibson says she picked up her brother at the JW Mariott and that on the drive back, she began receiving calls on the BlackBerry, including one from a woman who said she was Hinkle's wife. "I was like, 'Your husband is gay,'" Megan Gibson said. She said she received another call from Hinkle's wife. "The first thing she said, she was like, 'OK, we will give you $10,000 not to say anything,'" said Megan Gibson, who said she was now becoming scared.

Hinkle recently voted to pass a constitutional amendment to ban same-sex marriage and civil unions. No word on his legislative record regarding hush money...

Now An *Honest* Politician: Tweeting Twit's Sex Tip

A New Jersey state Senate candidate is catching hell for a tweet offering a colorful sex tip to women.

"Women, you increase your odds of keeping your men by being faithful, a lady in the living room and a whore in the bedroom," wrote Phil Mitsch. The Republican, who has over 44,000 Twitter followers, often tweets "tips" to his followers.

Mitsch's first instinct was to defend the tweet. "That's a great tip," he said to the *Philadelphia Inquirer* editorial board. "That shows the utmost respect for women. ... What I was trying to say to men was, 'Men, look, if you got to go out and play around and you can't be honest with a woman and respect her, then you're better off just doing pay, play and get the "F" away.'"

Continuing his interesting public relations approach (not to mention his questionable judgment and literacy), Mitsch tweeted, "I did not defend "my" tweet but rather Jerry Hall's, Mick Jagger's ex-wife, "quote" that I paraphrased. They were her words !!!" Hall famously quoted her mother as saying, "To keep a man, you must be a maid in the living room, a cook in the kitchen and a whore in the bedroom." In a subsequent interview with the *Inquirer*, Mitsch said, "I am definitely not apologizing for those two tweets at all... They were relationship tips."

People say they want honest politicians but complain when one emerges. Mitsch eventually apologized to women in a statement, showing that even an honest politician breaks promises.

New Research: younger women More Likely To Use Porn

Dr. Clarissa Smith and her colleagues Feona Attwood and Martin Barker have commenced a massive research project into porn. Having called for porn users to participate in a survey aiming to look at porn use in a non-judgmental way, they received 5490 responses (totaling over 1.2 million words). Still working through that gusher of e-mail responses, they have put out a preliminary report of their survey with some statistics and information.

Overall, 31.6 percent of survey respondents were female. And the researchers have found that women aged 18-25 are far more likely to use porn than their older counterparts. It's as yet unclear whether this age difference is a passing phase or whether it signals a wider generational shift — something which over time indicates a reduction in the differences between male and female interest in pornography.

It's only an anecdotal opinion, but it seems as if many of today's young women embrace porn just as easily as their male friends. Previously there's been a cultural difference in how women were brought up — there was no entrenched culture of sharing porn among the women of 20 or even 10 years ago.

Now, with the ubiquity of online porn, the male-female divide has weakened. (The majority of porn is still aimed at men, which could account for the disparity in usage rates between men and women.) The report goes on to say that men attach more importance to porn and use it more frequently. When it comes to why people use porn, simple sexual gratification was the most popular reason. However, results indicate that a lot more women than men use porn to *induce* arousal, as opposed to responding to it.

Sinead O'Connor Needs ANAL SEX!

In a blog entry titled, "IS SINEAD ABOUT TO HUMP HER TRUCK?" Irish songstress Sinead O'Connor worries that she's "so desperate for sex" that she might do something drastic.

"My sh-uation sexually/affectionately speaking is so dire that inanimate objects are starting to look good as are inappropriate and/or unavailable men and/or inappropriate and/or unavailable fruits and vegetables. I tell you yams are looking like the winners," she writes. "Needless to say what I do for a living makes it hard for me to find men that only want me cuz they like my (legendary) arse. Yet I am in the peak of my sexual prime and way too lovely to be living like a nun. and it's VERY depressing."

So to avoid the temptation of vegetables or vehicles, O'Connor has taken to her blog and Twitter to try to find a suitable mate. This call to arms for a "sweet sex-starved man" does not come without its stipulations. The singer has crafted a rather thorough list of musts ("Must be blind enough to think I'm gorgeous") and must nots ("Must not be named Brian or Nigel").

The best part is that she wants to put that "legendary arse" to use. She writes, "Let me now take time to make VERY clear that yes I 'do anal' and in fact I would be deeply unhappy if 'doing anal' wasn't on the menu, amongst everything else$$ So if u don't like 'the difficult brown'... Don't apply..."

Furthermore, women "will also be very much considered." Applications will be funneled through O'Connor's assistant. (Really.)

BOBBI STARR'S POV

BY BOBBI STARR

THE THOUGHTFUL VIEW FROM BEHIND HER CAMERA

If you listen to Billie Holiday, you'll notice that she often sang the same jazz standards — "God Bless the Child," "Night and Day," "Body and Soul," to name a few. But they're not just the same track on different records. They're different performances.

She was famous for saying — and I'm paraphrasing — that every performance had to be different, or it wouldn't be a performance. In the same way, I take on each new movie to find what I can do differently.

It's not easy. Porn is a medium that's limited by the flexibility of the human body and what one can do with a mouth, an anus and a cock or pussy, depending on your gender. But an artist works within the confines of her medium. Those boundaries define the work.

In my new masturbation title, "One," I faced more limitations than usual. The first problem was coming up with a concept of what to shoot: "One" was shot soon after an adult industry performer tested positive for HIV, so there was a temporary prohibition of shooting boy/girl and even girl/girl scenes. This left me with only one kind of movie to shoot, a masturbation movie.

It's not that I don't like shooting movies where girls "jill off," but it's a very difficult kind of movie to shoot. Remember what I was saying about all sex being limited by the flexibility of the human body and its various orifices and protrusions? Limit the scene to one body and you'll understand how solo movies are the porno equivalent of minimalism.

It's not just that single girl movies are, for the most part, bland. Lots of girls go through the motions, faking their orgasms in boring, soft-focus scenes. If you've seen one masturbation video, sadly, you've seen pretty much them all. They were the same performance, done over and over again.

If there was a genre that needed something different, this was it. I didn't want to shoot some bubblegum masturbation flick. I wanted to shoot girls *fucking themselves.*

I took inspiration from the movies I'd done with Belladonna in the past, in particular "No Warning 4." In the scene she shot, I played a Dom and a sub. It was twisted and original — so much so it won *AVN*'s Most Outrageous Sex Scene award. She showed me how a solo scene didn't have to be more of the same.

For "One" I cast girls I knew to like touching themselves and who don't know how to fake an orgasm. I shot with an eye for something artsy, with more than just a touch of latex fetish. I found more inspiration in the couture of Fräulein Ernhardt, who outfitted all the performers in my movie with her high fashion kinkwear. (www.highglossdolls.com)

Asa Akira was the glue that bound the movie together, in my view. She went to town on a large suction cup dildo, copiously gagging herself and showing how tease doesn't have to mean shooting through gauze or slow-motion. For Asa, warming up meant getting nasty so she could get filthier when she fucked herself, which she did for a movie worthy of being called hard-core.

I was also lucky enough to be able to work with Alysa, a Czech girl I first met on a Christoph Clark set in Europe. She is an amazing performer who knows no limits, and neither does her ass. She gapes beautifully and to amazing proportions. I literally was able to wash my hands in her ass (yes, we were going for irony) in a double-ass fisting. Sadly, due to pornography DVD rules, that part was edited out of the scene; however, the moment will forever be burnt into my memory. In the scene I did explore her butt with exotic Asian vegetables. Her butt is a wonderland and I was infatuated with going down the hole.

Then there's Kara Price. We took our scene outside late in the day, when the light is amazing. On a rooftop in Los Angeles, she pleasured herself in the time cinematogra-

phers like to call "golden hour." She glowed and the pleasure she brought to herself matched the intensity of the sun's final rays of light. But this wasn't just a pretty scene, it was a pretty filthy scene.

Tori Lux takes to some me-time with a glass toy in the ass and some quality time with a magic wand. She shows how taking things into one's own hands is sometimes the best thing to do. There's no shame in loving oneself, as Tori so deftly demonstrates.

On-again-off-again performer Julie Night makes her appearance. She's not on-again-off-again because of a boyfriend who doesn't want her doing porn — it's because she has an active sex life that sometimes is more outrageous than the things she does on camera.

To keep up with her, I put her in a damsel-in-distress scenario, with a bondage twist. She lives up to the expectations I had in her scene and it evolves — or is that devolves? — into the sort of depravity Julie's known for. If there were ever a performer who found a calling in this business, Julie would be that performer.

Finally, there's my scene. You'll see me gag myself and shoot the scene from the point of view of a peeping Tom (or Tammy, if you prefer). I play with my pussy using the first set of toys any girl learns to play with ... my fingers. While fingers are basic, sometimes the old playthings are the best playthings.

The prohibition on boy/girl and girl/girl scenes lifted, and with "One" in the can, I was ready for my next production. Again, originality was key, and though I had something involving myself and various penises, I decided to take my Femme POV concept where it had not gone before — a boy/girl scene.

Shooting movies from my point of view, or Femme POV, was something directors, shooters and talent told me I couldn't do. They said no one would be interested and there wasn't a market. It's worth mentioning that they were all men who shot male-POV scenes. I took this as a challenge, and with the support of John Stagliano, I developed a female POV style of shooting I call Femme POV.

Alysa

However, all my Femme POV shoots had been with myself and another girl. So I took the next logical step, a boy/girl POV scene with Rocco Reed. Once I saw the final product, I was very pleased. There's no denying that Femme POV is now a bona fide addition to the X-rated POV genre.

You'll see that scene in "Bobbi Loves Boys," coming in December 2011. You'll also see me in a gang bang of my choosing: Rather than being thrown into a scene with guys of another producer's choosing, I selected Mr. Pete, Mark Wood, Tommy Pistol and Jon Jon to be in this group scene. What can I say? It's good to be the producer. I also indulge my oral and foot fixations with Chad Alva, to whom I give a nice, sloppy blow job, and we mix it up with a foot job. I finish up "Bobbi Loves Boys" with an interracial blow bang — with lots of spit and lots of drooling — that features Lee Bang, Mark Anthony, Nathan Threat, DSnoop and Hooks.

If the human body is worthy of being elevated to art, I believe there's no reason sex shouldn't be given the same recognition. With the scenes in "One" and "Bobbi Loves Boys," I aim to show you the beauty and the perfection when a body isn't just nude, but in the throes of pleasure.

See pics and read more about Bobbi's new movies in Evil Eyes on page 85.

Buttman's Stretch Class 9

London Keyes

London Keyes

Students, come to attention: "Buttman's Stretch Class 9" is in session. "'Stretch 9' is possibly my best 'Stretch Class,'" says Buttman, "if only because Audio Video Services did a good job and I got the administration to ignore any possible teacher abuses of power. I was so surprised that some students were actually willing to hold their asses apart for as long at I wanted; you know I am sick that way. In any case, the really personal talking stuff is great, Brooklyn [Lee] is not of this universe, and I still don't think I have administered nearly enough discipline on Lea Lexis. But we are working on our lessons." See John's "Stretch Class 9" photo layouts of Lea and Brooklyn in this issue of *Buttman Magazine*.

Our Buttman Magazine Choice video line exists to deliver ass-flavored kink such as Russian madman Timo Hardy produces. His new "Timo's Days And Nights" offers a fresh helping of the wild public fucking he gets away with inside busy, unruly nightclubs. "All the girls did a great job," Timo tells. "I managed the next step in club shootings. We did ass-to-mouth, and all girls were getting fun in one scene. It was around eight girls. They did not take money from me because they were really surprised that public sex can be so great." He says the challenge comes before the camera rolls. "The hardest [part], I think, is to make a girl believe she will like to have sex when more than 200 people are watching."

Also from BMC is voyeur/director Kevin Moore's fetishy "Spandex Loads #2," wherein comely cuties model various spandex duds, their curvy assets firmly encased in taut, colorful stretch fabric that Kevin splatters with semen. Spanish Rebeca Linares wraps her giant, round boobs around the director's shaft and fucks him. Flirtatious Victoria Lawson's stunning, all-natural figure and sweet mouth earn her backside a spermy shower. When foxy teen Chastity Lynn and fiery Latina Vicki Chase catch the director jacking off, he gets a double-blow job and a girl-girl face-sitting fashion show. He stacks the eager sluts and cums on both butts at once. Temptress Jada Stevens sucks and fucks Kevin. Curvy blonde Nicole Aniston and husky-voiced Sadie West each get their fine rumps decorated. Layouts from four of these scenes (Nicole, Sadie, Jada and the Chastity/Vicki pairing) appear in this issue.

Cruel Media's Anal Attack 8
Release Date: 11/9

Alissa

Lucy

Raul Cristian and his Cruel Media posse of brutal butt bangers return with another sphincter assault on six nasty bitches. "Anal Attack 8" presents ferocious, male-dominant ass-fucking scenes from the Internet for the first time on DVD. Each scene features one slut taking on two-plus pricks, with double-penetration filth proving that some girls need *all* their holes satisfied. Two big-dicked thugs screw long, slender Monica Unco's bunghole until it gapes and spew their seed in her pretty mouth. Curly-haired blonde Jacqueline Stone is the subject of a relentless rectal rampage. Cool, exotic diva Lucy takes a butt plug, a serial face fuck and has her every hole crammed by a trio of cocks. Two guys plow innocent-looking, young blonde Alissa in a DP three-way with anal toys. Lovely brunette Claudia offers her blow job skills and accommodating asshole. And freckled slut Daniela gets her backdoor tag-teamed.

Superstar XXX performer/inventive new director Bobbi Starr's newest project is "One," an artistic collection of solo scenes from BMC. "'One' is many things," explains the Starr of the show. "It's a song by U2. It's a song by Metallica. It's a song by Three Dog Night. But in my case, 'One' is a solo masturbation movie featuring Kara Price, Tori Lux, Julie Night, Asa Akira and, of course, myself." When Bobbi and her starlets are left to their own private devices, their imaginative self-gratification takes on powerful and exotic forms. "There's anal play, lots of self-gagging, gagging with big toys. The whole movie is very intense. It's not that sort of pretty, milquetoast sort of masturbation movie that you see so often. There are fetish themes, which my fans will identify as something I return to often, as well as lots of latex. This is a movie about women literally taking control of their own orgasms." Bobbi delivers the excitement of spying private moments and shows how fulfilling the solitary experience can be.

Mike Adriano is a master of POV camerawork and intimate, perverse, close-up butt sex. The four hot Nubian ass whores in "Black Anal Beauties 3" treat his big, Caucasian cock to oral and anal service, and these sluts don't shy away from ass-to-mouth flavor. Veteran ebony porn princess Persia jiggles her plump booty, licks the director's anus and gets down to serious sodomy; her sphincter gapes for our inspection. Gorgeous, light-skinned, all-natural Leilani Leeanne releases her phat, soft buttocks from tiny cut-off jean shorts to get her ass well reamed; she eats cum from her manicured fingertips. Naturally curvy chocolate sweetheart Jade Nacole's got full blow job lips. She rides prick until cum coats her big, shiny rump. Voluptuous Myeshia Nikole struts her gigantic ass on Mike's home treadmill and vibrates her clit while he reams her rectum. He splatters her bouncy, greasy butt with hot semen. "Black Anal Beauties 3" shows that interracial lust goes both ways.

SLUTTY GIRLS LOVE ROCCO 4
RELEASE DATE: 12/5

Angel Rivas (above) and Alice Miller

Angel Rivas and Alice Miller

"Slutty Girls Love Rocco 4" proves again that sexually aggressive females crave having their sexual voids (physical and mental) full-filled by the virile power and prick of Italian stud/director Rocco Siffredi. "The best scene is the first scene, with me and Angel Rivas and Alice Miller. I could not ask for a better partners," recalls Rocco. "Also I love the scene with Bernice, Nicole Sweet and Manu Falcon. I was not supposed to be an actor, but unfortunately Manu became too nervous to work for me for his first time, and he could not perform. I have to say I hate when that is happening, but definitely not with *those* two girls." You might guess that a legendary XXX star like Rocco actually inspires women to become sluts. "Oh, that is funny," Rocco says of the suggestion. "Lots of times, I meet girls who were watching my movies long ago. They say that they started watching my movies and their dream was to become a slut. I can give you some names: Annette Schwarz. Blue Angel. Bobbi Starr. And also Belladonna. I do not know for sure if it is fun or for real. Who knows, but it is nice to think about."

Director Joey Silvera reignites perverse pegging passion — "Strap Attack 15" is chock-full of gorgeous, young ladies flipping the sodomy script on submissive males. Fiery, voluptuous Latina bombshell Franceska Jaimes stabs a skinny bitch-boy with evil spiked heels and makes him suck fake dick. She binds his junk, invades his rectum with her strap-on dong, brutally beats his buttocks and masturbates to a squirting climax on his belly! Blonde Casey Cumz dishes out candle-wax torment and ass-to-mouth domination. (The above scenes are each pictured in layouts in this issue.) Brunette Cassandra Nix and blonde domme Stevie Shae double-team Cassandra's boyfriend, thrusting big strap-on cocks into his face and ass. They feed the hapless mook his own gooey splooge. In latex gloves and lingerie, Asian stunner London Keyes beats red welts into the ass of a male loser. She plunders his back door with fingers and huge toys. Cheyenne Jewel wrestles and chokes a businessman with her powerful thighs and muscular arms, smothers him with her plump butt, then drills him with her trusty rubber tool. When these girls don the dongs, cover your ass ... but not your eyes!

CHRISTOPH CLARK

French anal connoisseur Christoph Clark discovers angelic women and brings out their animalistic nature. In "Angel Perverse 22," he's captured some very unladylike behavior! He calls it, "a mix of lesbian and boy-girl [scenes]" and says, "the girls are really hot and the sex is very good."

Included are two scenes starring the director himself: Pale, pretty Abigaile Johnson surprises the director in his hotel for a sensuous session of oral love, butt fucking and bare foot worship. And Christoph enjoys a romantic anal rendezvous with sweet, brown-haired Kattie Gold.

Two lesbian threesomes feature the Russian queen of extreme anal gapes, Alysa, who demonstrates her incredible rectal capacity. Brunettes Aliz and Peaches share Alysa's stretchable ass, filling it with huge toys, a sphincter-widening apple and their own probing fingers and tongues. Christoph calls the apple-flavored fun, "a big moment of this DVD." Alysa returns in another all-girl ass play session: She shows submissive Antonya and sultry Cathy Heaven what she can fit inside her cavernous butthole. Her caboose swallows up large plastic balls, which pop out into the other babes' mouths.

Fishnets-and-stocking-clad brunette Jeny Baby gets anally fingered by her dark-haired, rubber-gloved friend Sasha. Then both lovely girls enjoy a hard-core ass-reaming three-way with beefy stud Mike Angelo. Evil Angel director/performer David Perry gives some European-style room service to visiting American bombshell Lisa Ann, banging the busty MILF and spraying his cum across her enormous jugs. This is heavenly filth!

Christoph's "Top Wet Girls" movies are his showcase for model-quality European porn girls in girl-girl reverie. The new "Top Wet Girls 11" also features the anal stuntwoman Alysa. "She is the queen of anal and [such a] nice girl, but you know I love all of them and they do so nice work for me," says Christoph.

Dana DeArmond and Franceska Jaimes

He's known for injecting his XXX scenes with shockingly rough, edgy sex as well as his own massive, relentless penis. But for several years Evil Angel director/stud Nacho Vidal created his uncompromising porn in Brazil, Colombia and his native Spain. In search of fresh inspiration — and fabulous female talent — Nacho returned to Los Angeles. And "Nacho Vidal: Back 2 USA" commemorates the reunion with visceral intensity that shows why L.A.'s "Porn Valley" is the smut industry's Mecca. Nacho ravages six top sex stars in the movie's five scenes.

"I was looking for some fresh air — more energy to shoot different stuff," says Nacho. "I was stuck in Barcelona. There aren't enough performers in Spain." "Back 2 USA" shows that he made the right move with a stunning cast including fellow Evil Angel performer/director Bobbi Starr; French-Asian favorite Katsuni; rising star Holly Michaels; Spanish siren Rebeca Linares; American beauty Dana DeArmond and Latina knockout Franceska Jaimes.

Nacho: "It's basic POV, really sexy, arousing, so real — just me, camera in one hand, cock in the other — that's the way I get the best energy. Every scene is special. Bobbi is amazing — she let me do whatever I wanted to." That included blindfolding, handcuffing and stretching her rectum with his club-like cock. More from Nacho: "Holly is so fucking incredible — I had to stop fucking every five minutes or she would make me cum. Rebeca was really welcome — I hadn't seen her in many years, after I did a scene with her when she was 19. Katsuni, it had been six years. We had sex in my apartment; it was so fun! And Franceska and Dana— that was really intense." The heat there, in the movie's climactic threesome, is no surprise given that Franceska is Nacho's wife! Nacho and big-assed Franceska dominate Dana with slapping, rimming, strap-on abuse and a ferocious butt fuck that leaves Dana's rear agape.

Next on the Spanish Conquistador's schedule is "Nacho vs. Franceska Jaimes," which is likely to be a lot more fun than most marital bouts.

BELLADONNA

Superstar director/performer Belladonna's much celebrated return to on-camera sexual expression has been great news for fans of her heterosexual hi-jinks, and now the legions enamored by her genuine girl-girl passion have something to get excited about. "Belladonna: Sexual Explorer" is a luxurious double-disc set that demonstrates the beautiful sex icon's sensual adaptability as she entertains hot girlfriends in each of four long, sumptuous scenes. Every scene shows Bella and a girlfriend having fun with the girl's favorite activities, then getting down to explore her individual sexuality in the girl's own way, as opposed to meeting some standard pornographic expectation. We get to see Bella and adventurous, lovely Dana DeArmond on a road trip ... and getting it on in a moving car! Belladonna and another acclaimed performer/director, MILF beauty Francesca Lé, spend some indulgent quality time in a spa. Kinky cutie Sinn Sage and pretty Sarah Shevon go wild with Bella on a party bus. Then there's Mia Rose — the lustful minx had previously appeared in precious few all-girl scenes, but making love to Belladonna was her dream. It comes true in Mia's own bedroom. Naturally, every girl here sports an all-natural body. And Bella's simultaneously libidinous and loving presence brings out their all-natural charms. "Belladonna: Sexual Explorer" is a guided tour of female passion at its most real.

That nobody does girl-girl porn like Bella is proven again in the bisexual icon's "No Warning 6" as a bevy of her natural-bodied gal pals cavort wetly and get their respective freaks on. The cast here boasts adorable Latina minx Kristina Rose; lusty and lustful blonde Adrianna Nicole; kinky cutie Sinn Sage; blonde stunner Sammie Rhodes; the divinely big-assed Kelly Divine; tasty Kara Price; tempting Jada Stevens; hottie-next-door Cassandra Nix and nasty Lea Lexis. These girls are presented in Sapphic scenes with the director's signatures — intimate atmosphere, luscious and artistic camera work and, most of all, a friendly and engaging vibe that leaves the girls relaxed enough to truly be their horny selves. For fans who like seeing girls who really love playing with girls (whether softly sensual or hard-assed and kinky), "No Warning 6" conveys a true sense of fun. Again, Bella likes sex the way she likes girls: natural, without the trappings of factory porn.

JONNI DARKKO

FACIAL OVERLOAD
RELEASE DATE: 11/21

The master of the POV blow job, director Jonni Darkko, has distilled his expert shooting style into a 10-scene cocksucking bonanza entitled "Facial Overload." The 10 gorgeous girls love slurping dick, and each is rewarded with a huge, creamy cum facial from star stud Winston Burbank. "I really wanted to do an 'All Winston' title!" Jonni enthuses. "He has a huge fan base and I think he is the new Peter North." Jonni adds that, "Winston and I wanted to shoot the newest and dirtiest girls. I had my eyes on a few."

One is punky, tattooed black beauty Skin Diamond, whom Jonni calls, "totally amazing! She kills it and looks so great with cum on her face." Then there's plush, gorgeous Adrianna Luna, described by Jonni as, "a super up 'n coming sex kitten" who "has a super sex presence. You just want to put your cock in her mouth." Adrianna gets face-fucked to an explosive conclusion. Stunning cover girl Trinity St. Clair brings her man to orgasm, masturbating with a vibrator and swallowing his big cock until she gets a blast of sticky cum in her face. Jonni notes that Trinity "has amazing eyes that suck you in." Not just eyes! Sexy, slender blonde Latina Erica Fontes pets her pussy and coaxes out a messy faceful of cream from Winston's huge shaft. Latin cutie-pie Ariana Fox, petite young thing Evilyn Fierce, skinny sweetheart Tia Cyrus and sassy, little Jynx Maze all have their pretty mugs splattered with semen. Busty, dark, exotic Allanah Li squeezes her huge rack while blowing her co-star; and soft, curvy diva Bethany Benz gets her make-up all messed up.

Many of the scenes include an "instant cum shot replay" captured from a second camera. "I really wanted the view to enjoy both angles," Jonni notes, another way "Facial Overload" is almost too much of a good thing!

Next from Jonni is "POV Juggfuckers 4," his latest tribute to fucking big boobs. Jonni: "We found Eva Notty through a friend. She has amazing, soft tits! They are so soft, you just want to cum instantly. Katie Kox loves black and white cocks, so we had to do both! She gets her tits fucked by two cocks back to back. Penelope Piper is a super hot Latin beauty. She loves cock and loves making you cum with her tits! Maserati XXX is aptly named. She has super natural breasts. Yes, natural! Lexington Steele comes in to help us out, matching his big cock to her big tits. Kianna Dior is a super hot Asian MILF. Her perfect, slippery, soft tits will make you blast a load all over her hot-ass face!"

MANUEL FERRARA

The "Raw" series is director Manuel Ferrara's behind-the-scenes confessional, a glimpse at the sex life of a porn stud who's extremely popular with the ladies. For his two-disc compilation "The Best of Raw," Manuel's selected footage of five gorgeous and uninhibited women from his private stash, unfiltered and stripped of any show-biz fakery. These minimally edited scenes allow for multiple encounters, unscripted fun and lots of genuine personality; Manuel's girls are clearly excited to drop the mask of performance and get real!

French seductress Cecilia Vega commits thrilling acts of public outrageousness on the streets of Paris — lewdly and nudely. She fingers her asshole on their hotel balcony, in a taxicab and on the Champs-Élysées. The naughty tramp plays with anal toys and worships Manuel's thick cock every chance she gets. Next, Manuel visits fellow Evil Angel director Bobbi Starr on a porn set, then lures the brunette stunner to a hotel for some post-production ass fucking. Busty, bouncy London Keyes joins the director on her 21st birthday. The all-natural Asian cutie plays miniature golf, dances at a video arcade, then accompanies Manuel to his room for an intimate session of serious fucking. Buxom, wisecracking dirty blonde Avy Scott has an amazingly curvy body. She wraps her plump, natural jugs around Manuel's shaft and passionately deep-throats his meat. And she rides him till she's earned a messy oral cum shot. Beautiful brunette pixie Samantha Ryan films an extensive video diary as she prepares for her big date with Manuel. She's a talented songwriter, it turns out, but her true calling may be to Manuel's bone.

The "Raw" series is for fans who enjoy a voyeuristic peek into the bedrooms of real people really fucking — sometimes the lighting isn't perfect; sometimes the camera is left rolling as the sex takes its own course; always the emotion, intensity and lust are genuine.

For those of us who consider Jynx Maze to be the hottest, most genuinely lustful little performer to come along in a long while, it's hard to believe that her incendiary fuck session in Manuel's "Raw 6" is not in "The Best Of Raw." Maybe that anal epic will be in a future compilation, but for now Manuel's got something even better: a whole DVD devoted to Jynx. "Jynx Maze Is A Sex Addict" captures the incandescent, little minx in a wide variety of sexual action as she truly enjoys cock, pussy and ass.

With "Starstruck 2," Cruel Media director Raul Cristian brings his distinctive style of hard-core brutality to some major league, A-List porn talent. This collection of four nasty scenes includes two with voluptuous Amazon bitch/legendary MILF Lisa Ann. The first features Lisa riding the huge French cock of Evil Angel stud/director Manuel Ferrara. He has a passionate fuck session with the mature nymphomaniac, letting Lisa grind on his dick with her huge, powerful, shapely ass. Manuel showers the hard-bodied harlot with semen. Next, Lisa performs a lingerie striptease in the kitchen and takes on Latin stud Ramon Nomar in an equally intense rendezvous. She uses a pocket pussy to jack his boner and gets ferociously drilled until he cums on her huge knockers. Slinky, busty Asa Akira is the next star to be struck by Raul's nasty charm. The Asian slut arrives in sheer stockings and black pumps, ready to swallow Erik Everhard's boner. He rams Asa's pussy while she fingers her asshole, and she strokes his pole with her bare feet. French-Vietnamese stunner Katsuni pairs with Manuel in an acrobatically epic anal fuck-fest, climaxing with a sloppy oral cum shot.

Raul and his Cruel Media cohorts have cooked up another two-disc compilation of their best sex scenes, "The Greatest Hits 'N Spits 3" — a must for fans of Raul's style of male-dominant hard-core filth. This one features a sizzling cast of mostly American sluts. Busty, big-lipped Amy Ried takes on Erik Everhard in a passionate, pounding fuck session. Bodacious blonde bombshell Phoenix Marie teases us with her giant ass. Evil Angel director/stud Nacho Vidal overpowers the big-bottomed whore, invading every orifice, sodomizing Phoenix until her butthole is agape. Brunette sweetie Gracie Glam and huge-breasted, tattooed Angelina Valentine enjoy a cocksucking, pole riding threesome with Manuel Ferrara that ends in a sperm swap. Nacho Vidal and another EA director/performer, beautiful Bobbi Starr, share a passionately brutal scene of spitting, face fucking, butt banging and choking. Amazonian Latina knockout Franceska Jaimes gets her ass reamed in a fierce session that includes female ejaculation and strange toys. Lisa Ann shows off her shapely ass and huge boobs before inviting Manuel inside her experienced, ripe pussy. Nacho returns to ravish petite Kristina Rose in a ruthless fuck; he finger-bangs the tiny brunette beauty until she orgasms, then shoots his cream all over her pretty face. And gorgeous brunette Tori Black services Erik, who totally dominates the girl and leaves her with a messy cum facial.

JAY SIN

Fans of the anally extreme love the sensational work of director Jay Sin. This ass-obsessed pornographer constantly pushes the boundaries of the butthole, redefining what's possible with a woman's rectum and his perverse ingenuity. In the double-disc epic "Anal Buffet 7," Jay tops his previous efforts, bringing together a variety of his most twisted innovations for a smorgasbord of mind-bending colonic stunts by 12 beautiful girls. Jay tells us, "Highlights include a dirty, guts-pushing 'pink sock' party with exclusive model Hotkinkyjo and Isabella Clark with the lil', cute Dulsineya, and that is just the bonus scene! Sammie Spades makes her Jay Sin debut and Nacho [Vidal] introduces his fat cock to her ass — that made a monster gape that made me smile! Skylar Price and Kara Price [expel] cream from their asses onto pretty supermodel faces. Jynx Maze and Jada Stevens have more fun with cream in their perfect asses, and Nacho fucks it right out of them. The two hottest girls I know, Bobbi Starr and Jessie Volt, take on Sean Michaels' huge, black cock in a scene of pure bliss, 'cause these two girls are goddesses." Bobbi and Jessie's scene features anal toy play, rimming and ass-to-mouth cocksucking. Also, redheaded MILF Darla Crane and fleshy blonde Dee Siren enjoy a poolside rim job and squirting session before getting greased up and rectally plundered by tattooed Jon Jon's black cock.

Jay follows up with "Anal Acrobats 7," and he tells us who goes crazy: "'AA7' has a shot where Proxy [Paige] fills Roxy [Raye]'s ass full of jelly beans, and what goes in must come out ... with a lil' surprise! Russian doll Anita fires a toy out of her ass across the room and hits her target. Hotkinkyjo [expels] out the record with eight huge balls out of her ass. Lil' Jayda [Diamonde, who stars in a layout in this issue] puts my spiky laundry ball in her pussy and it looks like a monster in there. What else? Oh, hot, steamy sex with loads of gapes and ass-to-mouth for hours!"

We asked Jay what his wild-ass Russian gape specialists are typically like when his camera isn't running. "When I am not shooting," he reveals, "they are smoking, all of them unstoppable, smoke, smoke smoke. If they can smoke on set you get happier girls, trust me. And if they are not smoking they are cleaning their assholes for me to check with my mouth. Yummy!"

From Jay's recent "Deep Anal Abyss 4" comes a photo layout starring two extraordinarily voluptuous sluts, French Eloa and American girl Kelly Divine — see it in this issue.

Mike Adriano is a master of his craft. He knows what he likes, and fans of the director's ass-obsessed, close-up style of rectal perversion know exactly what they're getting: eye-popping anal gapes, ass-to-mouth cocksucking, probing anal speculums, butt-stretching toys, nasty drooling and saliva spreading, juicy POV-style blow jobs, butt tease and deep rimming — all of it starring gorgeous girls who love opening up for Mike's stylish camera.

"Anal Gaping Sluts" gives the viewer five epic scenes of twisted ass play, plus a classic bonus scene (a threesome with sultry Chayse Evans and Chantell Merino) from the Adriano archives.

Exotic, seductive Alysa, the Russian queen of ass gaping, joins Mike for the first time in a proctological adventure that shows off the pretty brunette's amazing backdoor skills. Natural cutie Sasha Sweet and busty blonde Courtney Taylor have a sick, ATM-heavy three-way with the director; they use whipped cream to lubricate his big cock in each other's outrageously dilated sphincter, and they lick sloppy, white goo from each other's butt crack. Perky blonde Casey Cumz enjoys a down-and-dirty oral/anal rendezvous, riding Mike's pole, slurping her ass flavor and swallowing Mike's load. Soft-assed, all-natural Latina Vicki Chase, perfectly packaged in fishnet stockings, gets the total Adriano treatment. And Mike loves big-assed Frenchwoman Angell Summers. These sizzling booty babes are wide open for business.

The title of Mike's next release could describe all of his work: "Anal Intensity." This double-DVD features the anal debut of hot Latina Juelz Ventura. Delicious cutie Chastity Lynn takes the full Adriano treatment despite her first name. Hot-talking Ashley Fires, girl next-door Cassandra Nix and Australian Mishka all experience Mike's intensity, as does Laya Leighton in a bonus scene.

Coming next from Mike is another of his graphic, straight-to-the-point titles: "Filthy Cocksucking Auditions." And his recent "Hard Anal Love" spawned a fabulous photo layout in this issue; it features French blonde beauty Jessie Volt.

DAVID PERRY

Suave French porn stud/director David Perry has a treat for fans of large, all-natural fun bags. For "Big & Real," the veteran sex machine has assembled a showcase of the bounciest, most mouth-watering hooters on the European continent. These wobbly, squeezable jugs come out swinging, with nary a trace of silicone! "There is a lot of great action in this movie, for example the scene with Dominno and Mike Angelo," David tells us. "It's a very intense scene with a lot of playing and tit-fucking positions." Tattooed Dominno rocks a tiny orange bikini and uses her impressive assets to satisfy Mr. Angelo, who cums on her huge, soft boobies.

Elsewhere, sultry, exotic sex pot Carmen Croft has a set of cushiony pillows that really coax the cum out of Italian stud Claudio Pedro. The director has his way with fleshy blonde BBW Kristal Swift's pendulous knockers. She spills out of a tiny bikini, jiggling her chest, fondling and sucking her own boobs. Kristal masturbates for the camera, then swallows David's hard cock. This plush slut rides his dick and wraps her tits around his shaft, finally taking a load of semen on her heaving chest. Top-heavy Zita is a zaftig cutie-pie who shows off her massive breasts and phat ass, then smears cream all over her shiny globes. David squirts whipped cream on her cleavage as she slurps his boner and tit-wanks him to climax. Thick, womanly Rita teases David with her bobbing udders and massive, round, solid ass. Rita sucks his dick and delivers an epic titty fuck that leaves her fine mammaries coated with jism. These beautiful tits are big, real… and real big!

David has a way with girls who love multiple cocks, as his two "Hose Monster" movies show. His next release, "Perry's DPs," showcases the act of double-penetration with four scenes in which ambitious sluts take cocks simultaneously in their pussies and assholes. David sums it up: "It's a movie with a striptease and masturbation in the beginning [of each scene], then very strong pussy and anal sex [for each girl] and all of them finish up in DP position."

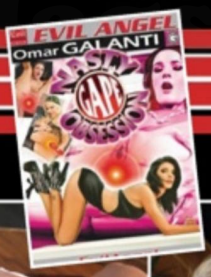
OMAR GALANTI



NASTY GAPES OBSESSION
DOUBLE-DVD
RELEASE DATE: 11/28

Omar Galanti's "Nasty Gapes Obsession" exposes the raw insides of the Italian stud/director's favorite subject; it's a bunghole exploration with sloppy foodstuffs and ass-to-mouth flavor. Omar says the movie "obviously wants to attract a lover of [anal] gapes," and calls the result "a little stronger than you can imagine, a little perverse," made for lovers of the "forbidden." Blonde Dulsineya smothers Omar's huge prick in whipped cream, making a milky mustache for her cocksucking mouth. She expels creamy foam from her colon. Glamorous Milla treats Omar to a POV session of butt banging and blowjobbery. (See our photo layout in this issue.) Lanky, cute Tanata shoots water color paint from her talented anus onto the director's dick. Later, Omar gives her with a birthday cake and dark-haired anal slave Aspid. Their strap-on threesome demolishes both the cake and Aspid's sweetly frosted ass. "I wanted to shoot Tanata two times on the merits of her attitude, which I found extraordinary," says Omar. He fucks stunning brunette Rocky's butthole and the whipped topping he shoots up her ass bubbles out. "In Russia," reveals Omar, "women are very prepared for anal sex," and "all women have a big hole. I hope my fans can get lost in the deep cavern of Rocky, and curves of Milla. Enjoy, and cheers for the asshole."

BOBBI STARR

BOBBI LOVES BOYS
RELEASE DATE: 12/21

Knockout performer/sexual adventurer/porn renaissance woman Bobbi Starr adds another slash to her resume: innovative new director. She experimented with her "Femme POV" invention in "Bobbi's World" and brought it to full fruition in "Vicarious," a girl-girl showcase. "While POV is something that's hardly new in this business," comments Bobbi, "POV from a woman's point of view — from my point of view — is something new." Now she brings her technique to a heterosexual release. "I like to play with girls, but I really like to play with guys. I put a twist in my usual Femme POV shooting with 'Bobbi Loves Boys.' As the title suggests, there's a boy-girl scene with Rocco Reed shot from my point of view. But there's more to "Bobbi Loves Boys" than just POV, including a gang bang I cast with Mr. Pete, Mark Wood, Tommy Pistol and Jon Jon. There's also a sloppy interracial blow bang with Lee Bang, Mark Anthony, Nathan Threat, DSnoop and Hooks, and a foot and blow job with Chad Alva." She adds an intriguing detail: "I do double-anal for the second time ever in this movie. But I'll stop there and let the world watch to find out which scene I do it in."

Bobbi's "One" is her fetishy solo masturbation movie released by Buttman Magazine Choice. See pics 11 pages back and read more of Bobbi's thoughts on "One," "Bobbi Loves Boys" and Femme POV in her column in this issue.

Bum's Rush

by Landon Dixon • Illustrations by John Howard

I stopped dead at the corner, eyed the officious snout of the black sedan sticking out from the alley just down and across the street from Ma's house. Then I turned around, walked away, just a big, blonde, scraggly bearded hick in a pair of patchy overalls and shit-stained boots, a straw hat pulled down low over my eyes. Sorry, Ma, maybe next time.

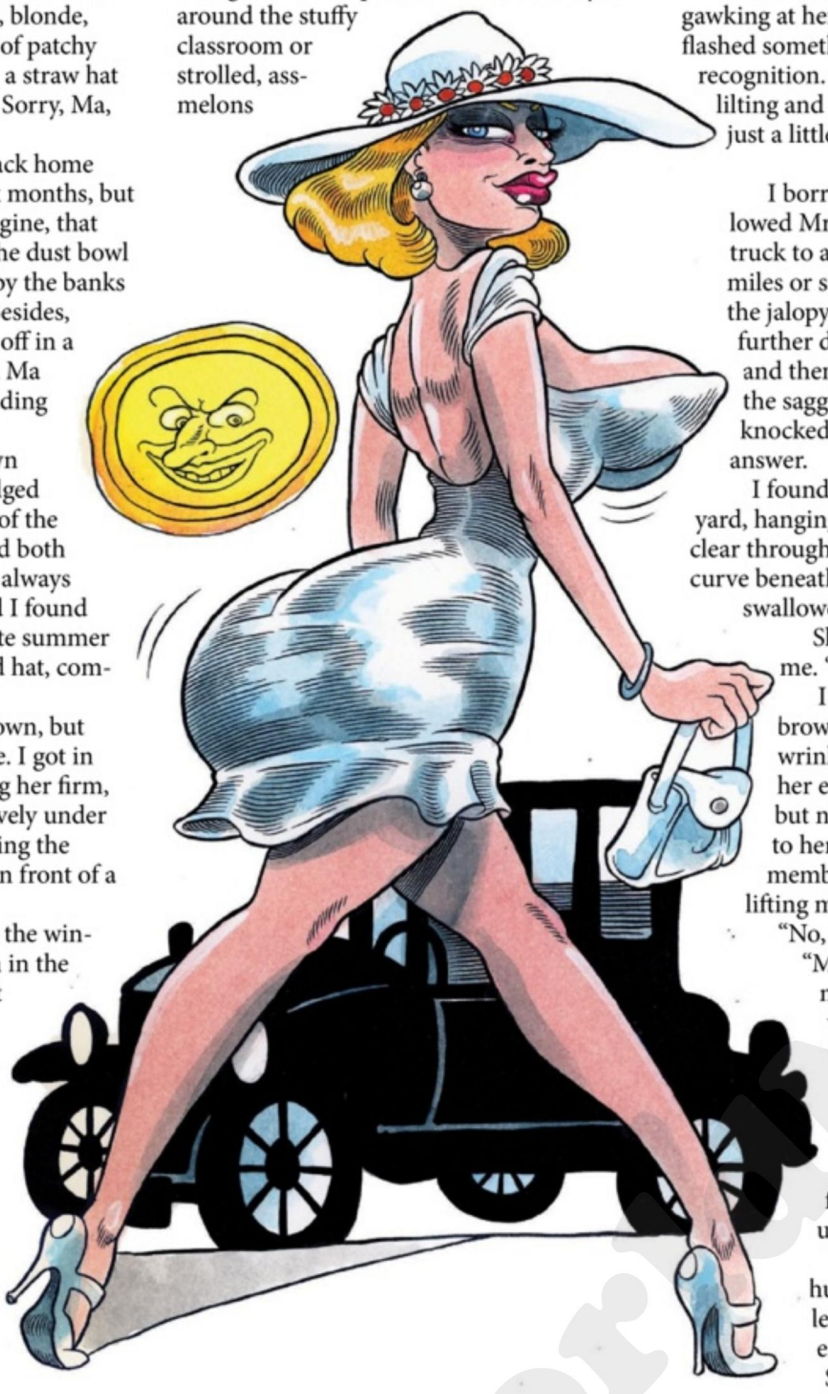
Sure, it was risky coming back home after heisting three banks in six months, but risk was the fuel that fed my engine, that separated me from the rest of the dust bowl Okies who got booted around by the banks with hardly a peep of protest. Besides, my hot dough was still cooling off in a hole I'd specially dug for it, and Ma was always good for some spending money.

The scorching sun beat down on me like a judgment as I trudged the worn, grey-plank sidewalk of the one-horse downtown. I scanned both sides of the rutted Main Street, always on the lookout for trouble. And I found some — a sexy blonde in a white summer dress and floppy, blue-ribboned hat, coming out of the post office.

My brain told me to blow town, but my dick told me something else. I got in behind the pretty lady, watching her firm, round buttocks twitch suggestively under her thin dress, almost rear-ending the dame when she stopped short in front of a dress shop.

She looked at the display in the window and I caught her reflection in the dusty glass. Damned if it wasn't my old high school English teacher, Mrs. Williams! Old being a relative term, 'cause she was just as I'd remembered her, fantasized in the back row about her: shoulder-length, straw-colored hair; trim waist and tight body; pert, pointed tits; long, supple legs; and a pair of swollen, slappable butt cheeks that had set even the most gifted mind to wandering.

I've been obsessed with ripe, juicy, split-peach bottoms since I've been old enough to jack for joy. And when Mrs. Williams became my teacher in the ninth grade, I got the butt-end of an education like no other. My eyes were forever glued to her posterior as she sashayed around the stuffy classroom or strolled, ass-melons swishing deliciously, back and forth to the bald prairie school every day. It was all I could do to keep myself from plumbing my rod in between her plump, jouncing cheeks whenever she sauntered past in the hall.



She turned her head and glanced at me gawking at her. Her cornflower-blue eyes flashed something like appreciation, but not recognition. Then she walked away, hips lilting and ass sliding from side-to-side just a little more.

I borrowed some stiff's car and followed Mrs. Williams' Model T pick-up truck to a clapboard farmhouse 10 miles or so outside of town. I parked the jalopy in a raggedy cluster of trees further down the road, waited awhile, and then got out and walked back to the sagging, sorry-looking home and knocked on the front door. Got no answer.

I found Mrs. Williams in the back yard, hanging laundry, the sun shining clear through her dress, highlighting every curve beneath. I licked cracked lips and swallowed hard. "Hello," I said.

She spun around and looked at me. "H-hello."

I stared at her pretty, sun-browned face. There were a few wrinkles, sure, in the corners of her eyes and around her mouth, but not many, and they only added to her seasoned beauty. "Don't remember me, huh?" I said, grinning, lifting my hat.

"No, I don't."

"Matt Morrison — you taught me in Grade Nine. Not that I was ever in class much; I was usually in the principal's office — getting my … butt waxed."

Her eyes registered some slight sign of recognition, and as she studied my tall, rugged frame, they seemed to warm up considerably.

We got to talking. Seems her husband had died a year earlier, leaving her a bare-ass farm and enough bills to choke a mule. She'd given up teaching to tend to her sick husband and couldn't get her job back when he died. So now she was working at the post office part-

time, not even coming close to making ends meet, the bank snarling at her farm.

"Tough all over, ain't it?" I said, touching her shoulder. She flinched, her tits jerking under the worn, stretched-tight cotton. My body flushed even hotter than the hundred-degree temperature warranted. "Let's catch us some shade," I croaked, extending a hand toward the open barn door.

We never made it inside. She stumbled up against me and I grabbed her in my arms and we stared hungrily at each other for a second. Then I kissed her hard on the mouth, squeezed her soft, heated body against mine, gripping her ass. Her fleshy cheeks were every bit as pliable as I'd always imagined, and I anxiously kneaded them. She clutched at me like a parched woman clutches at a tall, cool glass of water, her lips pressing urgently into my lips. She darted her slippery tongue into my mouth and I fought back with my own tongue, the two of us savagely Frenching one another all out in the open, in the middle of that sun-baked, topsoil-stripped wasteland.

I shoved her dress up and sank my sweaty hands into her hot ass flesh, lifting her off her feet and slamming her against the weather-beaten barn. I roughly squeezed, fondled her big, bold butt cheeks as we greedily kissed and Frenched, the ample flesh burning my calloused hands.

"I'm gonna fuck your ass!" I growled at the gasping woman.

She stared up at me, eyes desperate but calculating. "N-no! Not here! Not now!" She wiggled her ass out of my hands and ran for the house, my gleaming eyes following her every shuddering step of the way.

Mrs. Williams, or Cynthia, as she said I should call her, let me stay at her place. She pried out of me what I did for a "living" and didn't seem to hold it against me. Hard times call for hard measures and hard people, after all. In fact, Cynthia made it clear that there'd be plenty of ass waiting for me at the end of the line if I helped her out with her money woes.

So I scanned the newspaper, found the Mercantile Bank in Stillwater advertising the easiest terms in the territory. And early the next morning, I oiled up my .45s and hitched a ride down the road. I stole a car in Stillwater and hit the Mercantile Bank with everything I had, dishing out some raw, proletarian justice to the refined fat cats back east. I gunned it out of town with alarm bells singing in my ears and 20-grand in cash sitting snug in a duffle bag next to me.

And when the wicked widow Williams came home from the post office that night, I shared my good fortune with her, and she shared hers. I led her into the bedroom, scooped up an armful of glorious green off the bed and rained it down over her head, shouting, "We're in the money!"

She looked at the fluttering bills, her eyes shining. I grabbed her and planted a wet one on her pucker, and she exploded with passion. She ripped my shirt open, sending buttons rattling against the walls, onto the floor. Then she latched her pouty, red-painted lips onto one of my nipples and sucked on it. I groaned, ran fingers through her silky, blonde locks as she sucked and tongued my stiff nipples. She bit into them hard enough to draw blood, then fell to her knees and unbuttoned my pants.

She yanked my swollen cock out of my drawers and held it in her hot, little hand, looking up at me with her crystal-clear, blue eyes. "You're a bad boy, aren't you, Matthew?" she said, in a tone far different from the one she used in school.

"Yes, Ma'am. I'm a bad boy, all right," I admitted. "And you're a bad girl."

I grabbed a couple of fistfuls of sun-bleached hair and yanked her to her feet. I wanted the dame's ass, and I wanted it now. I tore away her goody-two-shoes blouse and bra, briefly admired her sun-freckled chest, her pale, upright tits and kitten-pink nipples, then pulled off her skirt, her white cotton panties. I gazed at the downy, blonde patch of fur that crowned the apex of her shapely legs, then shoved her onto the cash-littered bed. I jumped on top of her and we rolled around in each other's arms on top of the ill-gotten booty, the crisp bills sticking to our sweaty hides.

Then I flipped the mature lady over onto her stomach and sat on her legs, staring at the pale, gleaming twin globes of her bare bottom. I licked my lips, and with my rod pressing hard into her smooth, warm flesh, the scorching memories of

my school days flooded back to me: watching and lusting after Mrs. Williams and her proud ass as she strutted around the classroom, bent over to pick up a deliberately spilled piece of chalk; jerking off to roaring orgasms, sizzling jizz jetting out of my young cock as I lay stretched out in the hay loft of my parents' farm, mind-fucking Mrs. Williams' spectacular ass for the hundredth blistering time. And now here she was, all laid out in front of me, her heavy, heavenly mounds exposed, bare and vulnerable, mine to do with as I pleased.

I smacked one of her buttocks, then the other, watching the tender flesh tremble, blush. Then I really started spanking the dame, whacking her rippling butt cheeks faster and faster, till I was damned well flailing the babe's bottom. I whaled away on her ass, fanning her overblown cheeks brick-red and burning. She grasped at the cold, hard cash and moaned, her body tremoring each and every time I smacked her, until my handprints blazed white and brutal on her flaming ass.

"You're a bad girl, Cynthia!" I hollered, spitting on her bum and slamming her seared flesh two-handed, savagely working out the frustrations of my bitter years of schooling on the woman's built-for-banging caboose.

"Fuck me in the ass!" she finally hissed.

I released her legs, her beaten derriere, and she quickly scrambled up onto all-fours and stuck her battered butt out at me. She reached back and ripped her ravaged cheeks apart, exposing her tiny, pink starfish. I got on my knees, wiped sweat off my mug and onto my cock, spat into Cynthia's pucker. Her body jerked, quivered like it was electrified when I whacked my mushroomed hood against her anus. I throttled my rod and gritted my teeth and rammed my cap into her butthole, drove half my shaft inside her.

She pushed back, filling her ass with cock, my pulsating prick sinking into her gripping chute like a pitchfork into a bail of hay. I dug dirty fingernails into the sweat-dappled, scrubbed-clean flesh of her waist and pumped my hips, brutally pistoning my dong in and out of her oh-so-tight butthole. "Yes! Fuck me! Fuck my ass!" she screamed, frantically rubbing her clit as I pummeled her bottom. The bed slammed against the wall in rhythm to my frenzied thrusting, the money crackling like the fires of hell. I bounced my lower body off Cynthia's gyrating bum over and over, savagely plundering her chute with my battering-ram cock. She shrieked in pain and pleasure and gushed pussy juice, her body shuddering in my hands. I groaned with my own all-out release, rocketing white-hot cum deep into the doll's bouncing behind.

Having filled her gorgeous ass to overflowing, I pulled out with a squishy pop and rolled over onto my back. I grabbed a bottle of whiskey off the bedstand and took a deep, satisfied pull.

I mother-fucked Mrs. Williams all night long, leaving her asshole a raw, reddened, reamed-out mess, knowing that come morning, I was as good as gone — with all the loot.

I woke up to the sound of some yahoo yelling through a bullhorn. "Come out with your hands high, Morrison!" the authoritative voice hollered. "We've got the place surrounded!"

I gave my groggy, whiskey-thick head a shake, took a look around. The money was gone, and so was apple-cheeked Mrs. Williams. A post office WANTED poster lay on her pillow, my face on it.

She'd been kind enough to leave one of my .45s behind, under the poster. And when the lawman with the loudspeaker split my throbbing head open with another bellowed demand, I angrily scooped up the gun and stumbled to my feet, ready to blaze a thundering, smoky trail of orange flame and hot lead to my grave.

Then the fog lifted from my brain, and I got a better grasp on the situation, on the set-up bum-blessed Mrs. Williams had fashioned for me — to put my ass in a sling. Dead, she got the loot and the reward; alive, she got one-to-five for aiding and abetting a known fugitive. I spat on her pillow, tossed the gat aside, pushed my mitts into the air.

I was handed a 15-year sentence, to be served at the state pen in McAlester. Which means I'll still be a fairly young man when I finally get out, with all that buried treasure to spend. I wonder what Mrs. Williams will look like then, whether she'll still have the rumble in her rumble seat. I know I'm going to do my damnedest to find out.
